

## Rev. Foudy To Talk At Baccalaureate

Baccalaureate services for graduating seniors will be held Sunday at 4 p.m. in Spartan Stadium.

The Rev. John T. Foudy, assistant superintendent of Catholic schools in San Francisco, will be the speaker at the services. Title of his address will be "With Thy Whole Heart, With Thy Whole Soul, and With Thy Whole Mind."

The Symphonic Band, under the direction of Dr. Robert Fiester, assistant professor of music, will provide music for the procession and recessional.

Invocation and benediction will be offered by the Rev. J. Wesley Farr, minister of the First Methodist church, San Jose.

Three selections will be presented later in the program by the A Cappella Choir, directed by William J. Erlendson, professor of music.

Father Foudy, a native of San Francisco, received his Ph.D. in education from the Catholic University of America, Washington, D.C., and for the past 10 years has served in his present position as assistant superintendent of San Francisco Catholic schools.

The service will be concluded by the "Sevenfold Amen" sung by the choir and the recessional for members of the graduating class.

## Summer Session Enrollment Expected To Exceed Previous All-Time High

Enrollment for the 1956 Summer Sessions promises to exceed that of previous years, according to Joe H. West, dean of educational services and summer sessions.

Registration for the six and ten-week sessions will be held in the Women's Gym at 7:30 a.m. on June 18. Students who fill out the application for a registration permit on the last page of the summer bulletin and return it to the summer sessions office by today will receive a card indicating the time of day they can register. Those who do not apply for a permit will have to register in the afternoon after 1:30 o'clock.

## Year Sees Big Boom In SJS Construction; More Being Planned

One of the most outstanding developments on campus the past two semesters had nothing to do with academic work or extra-curricular activities. The reference, of course, is made to the construction projects going on throughout the campus.

The nine-month period saw the completion of the wing to the Men's Gym—and the near-completion of the Library wing and the Science addition.

The Physical Education Department offices were moved into the new extension late last month, along with the locker rooms for the men's P.E. classes. The top floor of the wing contains a gymnasium and a large classroom.

The Library extension is expected to be ready for use before school starts in September while the Science wing should be ready by February 1957.

Now, work has started on the new three-story classroom building adjacent to the Speech and Drama Building and the Spartan Shop. Within a few months, ground probably will be broken for the Administration Building on the corner of Seventh and San Fernando streets.

The classroom building, with 31 classrooms and the campus audio-visual service center, should be completed prior to February 1957.

## Mussatti To Speak To Graduates Friday

Spartan Stadium will be the site of graduation ceremonies for 1116 seniors next Friday afternoon at 4 o'clock. This is the largest class in the history of the college.

Featured speaker of the day will be James Mussatti, general manager of the California Chamber of Commerce, who will speak on "The American Heritage."

John T. Wahlquist, president of the college, will be on hand to give the annual president's report and to bestow credentials and degrees upon the members of the June 1956 class.

The 93rd annual commencement will open with the procession of graduates who will march to music provided by the Symphonic Band under the direction of Dr. Robert W. Fiester, assistant professor of music at SJS.

Following the invocation by the Rev. Edward E. Fiske, minister of the Castro Valley Reformed Church,

JAMES MUSSATTI  
... To Speak

urch, Donald S. Abinante will offer the class gift. ASB president Ray Fregman will present his gift acceptance speech and the band will play "Victory at Sea" by Richard Rodgers.

Col. Richard M. Bristol, USAF and Col. John E. Rogers, USA will be on hand to make presentation of the candidates for commissions in the ROTC program.

After the presentation of diplomas to the graduates, the band will start the recessional, playing "Pomp and Circumstance," No. 1 by Elgar and "Triumphal March," Op. 15 by Berlioz.

## College Receives New Accreditation

Word was received yesterday by President John T. Wahlquist from the State Board of Education that SJS has received accreditation until June 30, 1959 to provide a program for the General Pupil Personnel Service Credential.

In this field, SJS will specialize in pupil counseling, school psychometry and school psychology.

## 'Mural Refunds'

Captains or team representatives for intramural athletic teams may pick up \$5 refunds on their entrance fees in the Student Affairs Office, Charles Hardy announced yesterday.
